“ When Roger first applied at Lorenz he was interested in possibly helping out in the wash bay. After talking with him and getting to know him we knew he would be a better fit as a para. Roger was warm, friendly, funny, caring and always happy to help. He'd give the shirt off of his back if you asked him to. Everyone who knew Roger at Lorenz loved him and he has certainly left a hole not only in his route that but in our hearts. He was one of a kind. It has been a hard week not being able to see his cheerful smile around Lorenz as the reminder settles in that he has passed.

Roger - Wherever you are up there, I hope you see how much you were cherished and appreciated and know that you are on our mind and in our heavy hearts.
