

## Roger Charles King

September 21, 1931 - January 26, 2022

Roger Charles King, Age 90 of Minneapolis, MN. Died in his home on 1/26/22. On September 21, 1931', Roger was born in Minneapolis to Clarence Alfred and Agnes Bertha (Hansen)King. He was the youngest of three siblings, and the only son. Roger and his cousin, Don spent many hours at Minnehaha Creek and Falls playing and collecting minnows for their fishing adventures. Roger was a great guy who as a child enjoyed time with friends and family at their Prior Lake, MN. cabin. He loved swimming and fishing and particularly loved floating on his back. Roger graduated from Roosevelt High School, South Minneapolis in 1949' He attended, Dunwoody College of Technology, Minneapolis where he learned machinist training. He took a 32 week course, "Aircraft Engine Mechanic" in the evenings while working at Mid-Continental Airlines. 1951' Roger enlisted in the U.S.S. Navy. On July 29, 1953', Roger married the love of his life, Anna Maye (Borchardt)King at Fort Snelling, Minneapolis,MN. Shortly thereafter, Roger was stationed in Norfolk,VA.

Roger and Ann moved to Norfolk, where Roger was stationed on the U.S.S. Sierra

and worked on what's known as the "captains deck" Jay was born in 1954' in Norfolk, VA.

When Roger and Ann returned from Virginia, Roger took a job with Honeywell as a Mechanical

Engineer. They purchased a home at 5844 Morgan Avenue South, Minneapolis. There they were

blessed with three more boys: Gail; Terry and Tim.

Over the years the family spent a lot of time at the cabin on, Somers Lake, Maple Lake,

MN. In time Roger and Ann bought their own cabin on Oak Lake, Duquette, MN. They

enjoyed many years there with family and friends. So many years of the whole family

putting in and taking out the dock. Enjoying campfires and telling stories.

Roger was a wonderful story teller and had many great stories,he was also great at remembering and telling jokes. He was a mathematical wizard who

would always be figuring something out. Like, How long it took for the, " Speed of light or the Speed of Sound" to get somewhere. Or, he knew facts like How far it is around the world or How far to the Moon. He was amazing on Statistics.

He always told his sons, "Measure twice, cut once". He was an," ENGINEER, THROUGH AND THROUGH." Roger worked at Honeywell until he retired.

Roger and Ann raised four sons in their Minneapolis and Bloomington homes.

So many good times were had as we gathered around the Octagon picnic table on their patio at 8230 Morris Road, Bloomington. He actually built (5) tables, one for each of his sons. He was truly amazing.

Roger and Ann were married fifty-nine before her passing.
