“ *My husband and I first met Roger through my mother and stepfather. My stepfather was one of Rogers many hunting and golf buddies. What we recognized immediately about Roger was he was simply a genuinely nice guy. Upon my stepfathers passing, Roger stayed in touch with my mother. The kindness he showed to her at that time will never be forgotten. Then again, as my husband and I came to recognize, that was just who Roger was. A thoughtful and careing person who shall no doubt be missed by those who knew him.*
