# Tribute Wall

KP

“ When I was in my high school marching band (1964-66) there were parades or events when I would see Roger. His father George and my grandfather John A were brothers. My father Myron loved this large family of cousins!

Roger attended my mother's funeral in Cold Spring which was so kind of him. I'm sad to hear of his death and would love to reach out to family . Sincerely, Kathie (Moselle) Phillips
