“ Deepest sympathies to Shirley and family and also all that he called "friend".

Roger was an amazing man. He had great sermons, always thoughtful, sometimes short, and always they made you think. I still remember his "attitude of gratitude" sermon.

He started the Warm Line, a recorded telephone service which was important to many who needed a lift or just a cheerful word. He recorded over 2400 messages. In 1981 he placed his Warm Line thoughts into a booklet "Hello my friend, Dial-a-prayer resource". Its still on my bookshelf.

His ministry to the gay community was ground breaking and not always popular with some but he persisted and helped many.

Blessed be his memory.

“ Our sympathy to Shirley and family. Roger and Shirley were our neighbors on Park Ave. They always took lovely care of their home and welcomed many to share the history of their famous house. Roger would also share his love of writing with us. Our family was also blessed to have him serve as our interim Pastor at Emanuel Lutheran. He was a blessing to many. Our thoughts and prayers are with you. Steve, Jennifer, Abaigeal, Brennan and Clare Plummer.

“ *Pastor Prescott was such an inspiration to many at St. John Lutheran Church in Council Bluffs, Iowa. His gentle spirit and genuine caring heart shone when he preached a sermon, when he ministered at a bedside, and when he offered comforting words at a funeral. I'll also remember the poet's pathway in the back of Roger and Shirley's home on Park Avenue. Our sympathy and Christian love to Shirley and family.*
