“ Roger, It's been over a year and I still have not signed this guest book. I know I Miss you and wish you were still with us. I will never forget you your like a brother. I have many memories but one in particular is when I was 12 and I babysat Angel Lee. When you and Bobbie would go out. You had all these skulls all over the house ceramic, wax, plastic. I didn't like them looking at me so I would take an article of Angels and put it over it. T shirt, Shorts, Blanket what ever I could find. The next morning before you guys would get home I would take them off. Of course now its daylight so I wasn't scared of them looking at me. Well you guys came home early one time and busted me, seen the articles of clothing covering the skulls, from that day on you would tease me every chance you got. Love & Miss you Rog. Cheryl

“WHAT IS THERE TO SAY GIRL? I HAVE SO MANY THOUGHTS AND MEMORIES RUNNING THROUGH MY HEAD KNOWING THAT GRAMPS HAS MOVED ON. THE MOST VIVID IS STANDING OUTSIDE OF RUSTY'S LITTLE HOUSE OVER NORTH AND HERE COMES TANK WITH GRAMPS ON THE BIKE BOTH GRINNING FROM EAR TO EAR. TWO GREAT MEN THAT TOUCHED MY LIFE DURING OUR JOURNEY IN THIS WORLD. I HAVE A FEELING THAT THEIR JOURNEY CONTINUES BUT GRAMPS IS RIDING HIS OWN HARLEY AGAIN. THERE ARE NOT ENOUGH WORDS TO EXPRESS TO YOU WHAT YOU GAVE TO GRAMPS OR RECEIVED FROM IN RETURN. I LOVE AND RESPECT YOU GIRL NOW AND ALWAYS. I AM SORRY FOR YOUR LOSS.

I can't even begin to describe how much I looked up to you, and how much that I learned from you. I realize that I am on my own now, and all that I can hope for is that my picture will appear next to yours in that dictionary. “ Dearest Cindy, Thank you for sharing Roger with me this past decade. I never had the honor of meeting him in person.....but he was made available to me through you, because his presence was constantly with you. Through you, he materialized. Never, on any single day we worked together, nor on any chance encounter thereafter, did you fail to make Roger known to me. Every single thing I know about this extraordinary man, came through you. Love and tolerance was your code. The sharing of your selfless and unassuming life with Roger, made me examine my own life and all my own self-absorptions. Being around you and listening to you talk about Roger? Cindy, those were the good old days. Your words were always so full of possibilities! In undying gratitude Cindy, please accept my deepest sympathy to you and Roger's family. May you all be protected in the days ahead. P.S. My debt to all veterans is forever unpaid. My trumpet and the playing of "Taps" is all I have to give. Please know, my trumpet is ready by the door....to play "Taps" for Roger. It is my responsibility as a bugler to make sure he is honored appropriately for his service to us and the United States Air Force. My horn is available at your command.
