Thank You for sharing this picture in honor of my brother Roger, I keep thinking of him all the time and trying to come to terms of him not being here anymore, just does not seem real still now at times. Love to see more pictures of him on here.

“ I was shocked and saddened of hearing the news of Roger's death . I worked with him for 8 years at the Sheraton/Doubletree Hotel, and I always enjoyed working with him. He could make me laugh especially when i was going thru some hard times with life, he always could cheer me up ! we are like a family there and I feel like I lost one of my favorite big brothers , RIP my friend gonna miss ya !

roger you were always a bright light in my days at work, we could all be having a bad day and you would come up with something goofy to put a smile on my face. You were like our little brother in our family at work, you will be missed every day as long as I work there, and even when I dont, the only good thing is we will all be together again when it is our time to leave this world.Hope you are making them laugh up in Heaven just as you did here..until then watch over all of us we need your help down here too Love you little brother..Terry Arneson
