“ Dear Mrs. Thompson,

Please accept my condolences upon the passing of your husband Roger.

I have been looking for him for the past two years and not been able to find him. Then just recently was told of his passing earlier this March.

Roger and I were pretty good friends while he attended Mission House College. We worked on his Ford together. And he took me home with him way back in 1952/3 just to attend a performance of Spike Jones and his City Slickers.

If Roger was anything like he was back in college, He was a great buddy. I sense that he was also a great husband.

If you 'd like to share anything with me about Roger, I would really appreciate it.

*Thank you
Harvey Reh*
