“ Remember back in the 1940's Roger? Seems like a million years ago. We were all so innocent. Playing "kick the can" and other goofy games on warm summer evenings. Standing back as your dad would fire a round from his service pistol on News Years. (legal then). Good times at the Lake. And who can forget your dog Skipper.

I am so glad that we had the chance to renew old memories these past couple of years.

Rest in peace Roger. You may have departed these shores but you have arrived at another where all is good. May the Lord our god bless you and be with you.

“ Uncle Rog,
You will surely be missed. Memories of times at Tonka and all the family gatherings there.
memories of you taking a day off work and swimming at the pool at your apt. complex.
And for giving us our beloved dog Heinrich.

Know you are now in a much better place.

*Love,
CJ*
