

## Roger 'Z' Zbikowski

February 7, 2018

Zbikowski, Roger "Z" Age 58 of The Carlyle in downtown Minneapolis. Roger left us way too soon, but he lived an extraordinary 58 years of life. He is preceded in death by his father, William. He is survived by his mother, Delores; brothers, Douglas and Curtis (Nuntana Erickson); nephew, Conrad; and his nephew's mother, Mary. Following his father's footsteps, Roger proudly served as president of the family business, ToolKraft. He took great pride in successfully leading the company his mother and father founded following his father's death in 2011. Roger was very intelligent and enjoyed success investing in the stock market. He also enjoyed collecting watches, and his favorite watch was the one he received from his father with its special inscription on the back. He loved music, including his favorite band, The Rolling Stones, and had an extensive music collection. Roger loved all those around him and those around him loved him more than he knew. One of Roger's greatest joys was riding his motorcycle and his annual trips to Europe to ride in the open air of beautiful mountains. We often followed his great adventures by him texting photographs that we always found to be extraordinary. He was also known to take long bicycle rides and could often be seen coming and going in and out of the garage of The Carlyle. He was a member of Lifetime Fitness and frequently worked out at the St. Louis Park club where he made many fast friends and deep relationships. Roger loved his family, friends and coworkers and enjoyed going out to dinner with friends from all facets of his life. He was very kind and compassionate and, in many

ways, down to earth. However, he loved to be on top of the world, and we guess that is why he loved his condominium on the 25th floor where he could see for miles and miles. Those of us that are left behind will pull together closer and know that one day when we walk through the gates of heaven, Roger will be there to greet us with the biggest smile we have ever seen to once again embrace in a loving hug and be together for eternity. Roger, we know you are riding Streets of Gold! In lieu of flowers, memorials may be directed to Meals on Wheels or donor's choice. A celebration of this amazing life will be Wednesday, February 21, at 3 PM with visitation beginning at 1 PM and reception to follow all at: [Washburn-McReavy.com](http://Washburn-McReavy.com) Glen Haven Chapel 763-533-8643 5125 W. Broadway, Crystal
