

Roger W. Zopfi

August 5, 1935 - May 7, 2020

Roger W. Zopfi, Sr.

Age 84, Little Canada, MN.

We are saddened to announce the death of Roger W. Zopfi, Sr. on May 7, 2020. Roger passed peacefully at home surrounded by his loving wife and children.

He is preceded in death by parents, William and Madeline Zopfi; sons, Craig and David (Aubrey) Zopfi; sisters Beverly Zopfi and Virginia (Gerald) Anderson; and brother in-law, Gerald Anderson.

He is survived by his loving wife of 62 years, Bonnie; children, Roger (Kathleen) and Amy; son in-law Aubrey Castillo; brother William (Florence) Zopfi; sister in-law Pat Snitker; and many beloved nieces and nephews. Due to the current coronavirus pandemic, the memorial service and celebration of life will be scheduled when public safety permits.

Roger had been successfully battling both bladder cancer and pre-leukemia over the past several years. Sadly, in February, he was diagnosed with advanced stage congestive heart failure. He bravely took up the fight against this new enemy, until eventually succumbing to a foe that would not be defeated.

The family is requesting that any memorial gifts be directed to one of the following:

The Zopfi Building Fund at Central Presbyterian Church in St. Paul,

Minnesota. Checks can be made out to Central Presbyterian Church with a note in the memo line "For the Zopfi Fund." For those wishing to contribute online, please go to centralforgood.org/give. The fund is used for the upkeep and preservation of the Church, which appears on the National Historic Register.

Habitat for Humanity.

Bridging.

Over the years, Roger donated thousands of hours volunteering his time and talent to these organizations; and the Family is extremely grateful for your gifts to his legacy.

“ I so enjoyed the company of Roger when we worked together at Bridging. He was such a joy to be around. He gave me some materials when he knew he would no longer be able to use them and I think of him every time that I use some of it. Miss you dear friend.

PM

“ I am sorry to hear of Rogers passing. He was my first boss in the programming area of 3M. He was one of the nicest guys I have ever met. My heartfelt sympathy.
