“ Rolland volunteered at the Coon Rapids Senior Center for almost 20 years. He was a van driver among other misc. duties as assigned. He was one in a million with his willingness to help out with a variety of things. And always with a smile, a joke and a kind word. He would often say, "there are so many people who have it tougher than me". He showed gratitude for what he had and we were so lucky to have known him. We will miss him very much!

“ Rolly has been one of my long time volunteers at the Coon Rapids recycling Center. His bright smile and warm heart could be seen miles away. We will miss him!
