“ *My thoughts and prayers are with all of you at this time. It's hard to find the words to describe what a wonderful man Ron was. He was a positive role model as to what a loving father, husband, and grandfather is all about. He also taught me that "yes" some people do put pickle relish in their baked beans! May you find comfort in each other as you remember your special memories of him as well. Love to you all.*

“ *Joanie & family,My thoughts and prayers are with you all at this time. God used Ron to minister to many throughout his journey. I am so grateful that I got to know Ron starting way back to Harron days. He will be sorely missed by all. My prayer is that the Holy Spirit will minister comfort to each of you as you process through this difficult chapter of life.Diana Monsour*
