

Ronald Edward DeCesare

July 28, 1944 - February 26, 2025

7/28/44-2/26/25

Ronald Edward DeCesare passed away peacefully on the evening of February 26th with loved ones and in his home, after a courageous battle with Parkinson's Disease.

He is preceded in death by his parents, Frank and Joyce DeCesare and is now reunited with his beloved wife of 51 years, Marjean (DeCesare) with whom he shared a lifetime of love and memories, having grown up together in Fargo, North Dakota.

Ron was a devoted father to his 3 children: Jeffrey (Ruby) DeCesare, Eden Prairie, MN; Karen (Bill) Doll, Edina, MN; Brian (Cosette) DeCesare, Edina, MN; and proud grandfather to 11 grandchildren: Michael (Danielle), Thomas (Caroline), Rachel, Maria, Theresa, and Genevieve DeCesare; Stephen, Sophia, AJ, Josie, and Lisa Doll.

He is also survived by his sisters Carol (Larry) Goode and Mary Ellen (Bob) McDougall and brother Bill (JoEllyn) DeCesare.

Ron dedicated his life to the field of medicine, as a highly respected interventional radiologist. He pursued his passion for knowledge and healing;

he attended Johns Hopkins University for undergraduate studies and earned his medical degree from Harvard University. After training at Mayo Clinic and Harvard, his distinguished career was spent at Suburban Radiologic Consultants. Highlights included serving as Chief of Staff at Fairview Hospital and President of Suburban Radiology, as well as being a leading pioneer in innovative imaging. He practiced medicine with compassion and skill, intensely devoted to his patients and team members.

Ron embodied a compelling paradox. At his core, he was a simple man who preferred stability and predictability, resisting change in many aspects of life. Yet, this very grounding allowed him to be a visionary when it came to seeking out new adventures while establishing long-standing traditions.

His love for the familiar - family, friends, and the rituals that bring them together - fueled his desire to create meaningful experiences to be spent with others. In doing so, he touched many lives.

Beyond his professional accomplishments, Ron loved being at the Fireside Lake Wisconsin cabin with extended family, enjoying time in Naples, Florida, and attending his grandchildren's events.

His legacy includes countless hunting trips, from deer stands in Minnesota and Wisconsin to fields in Iowa and South Dakota and the plains of Saskatchewan. He earned the name "Old Veteran" of duck sloughs, pheasant fields, and deer and turkey blinds. His worldwide expeditions also included fishing trips to the Canadian lakes, Alaska, Brazil, Australia, and Guatemala.

He loved sharing these outdoor adventures with his brother Bill, close friends, relatives, sons, grandchildren, and his best friend Stoney (Jim), who was the subject of many favorite stories.

These experiences culminated in developing his farm, which he affectionately named Deer Mountain Ranch, a testament to his love of the outdoors.

Most importantly, he cherished his role as "Grandpa Ron" and found the greatest joy spending time with family and bringing people together. These lasting memories have united and inspired his family for generations to come.

We will remember Ron by re-telling the same stories and laughing just as hard each time.

Visitation will be held from 4:00-7:00 PM on Thursday, March 6th at Washburn-McReavy, 7625 Mitchell Road, Eden Prairie, with memory sharing from 6:15-7:00pm. The Memorial Service will be held at 11:00 AM on Friday, March 7th at Our Lady of Grace, 5071 Eden Avenue, Edina, MN, with visitation at 10:00am. Streaming link will be provided on Caring Bridge site. In lieu of flowers, the family invites memorials to Our Lady of Grace Catholic Church.

“ Good day viewers all over the world. I acquired my first home at the beginning of the year. To some, lottery players appear ridiculous, while we view it as a chance for an improved future. I'm known as Megan Taylor and I have played the lottery for ten years, yet I haven't won anything substantial. In my pursuit of understanding how to win better, I was advised to consult Lord Meduza, the priest who provided me with the precise 6 numbers that helped me secure the Mega Millions jackpot of \$277 million after using his spell powers and following his guidance. Lord Meduza services is top notch, and I believe your dreams aren't finished unless you decide they are.. Contact Lord Meduza the priest, and he will assist you in realizing your aspirations.

“ Praise be to the incredible Lord Meduza, I've never seen or heard of his lottery spell failing, not even once, and that includes my own experience. Every day, I feel renewed blessings after connecting with the Great Lord Meduza, who gifted me my winning six-digit lottery numbers that won me \$740,000,000 million dollars by using his magical skills to foresee the outcome. I'm a dad of four, and it's been a few years since I lost my wife to cancer; I miss her terribly. To wrap things up, I really want to thank Great Meduza for being so good at what he does. His guidance and lessons were applied swiftly and precisely, leading us to the best possible result, which we definitely achieved. You can reach him by email: lordmeduzatemple@hotmail.com or check out his website at (www.lordmeduzatemple.com) for more information. May you stay blessed and know you're in good hands with Lord Meduza.

“ Good day viewers, I wish to share my testimony with all of you. I have daily 9 to 5 jobs, but while I work, I try my luck at playing instant Lotto. On this particular day, I decided to seek help online regarding tips for winning the lottery and I saw many individuals testifying about Priest Meduza spells. I reached out to him and informed him that I needed help to win the lottery, and he clarified the process to me stating that after he casts the spell, it will take 48 hours for him to provide me the winning numbers which I accepted. I followed all his instructions and he provided me with the numbers to enter the Lottery. After the draw the following morning, I received a notification on the Lottery app on my phone indicating that I was the lucky winner of \$273 million on the New Jersey Lottery and I'm here to extend my heartfelt gratitude to Priest Meduza. “ It's the programmed ATM card that can hack into all ATM machines. Its works with any currency and in any country where you might be living. It is programmed in a way that when a transaction is carried out with the card ,it can't be traced. To make use of this card ,you need no account number or even pin of anyone. It's simple because there is a manual attached that teaches usage ,and also gives more explanation concerning the card. So friends, its a new year and a new beginning. If you need funds to start up some business, pay up bills and loans or money to live a good life? Then you got to make this opportunity yours. Though it is illegal as you and I know ,since the government can't satisfy everyone's needs, I have to do what I have to do, to get what I want and for my family to be happy and everyone at large to be the same ..Though this post is not for everybody, but for those who truly need change from a poor state to a wealthy life. A way to say happy new year to you and you out there. address once more is (francoispinault807@gmail.com)

“ *Personal growth is important for achieving success in life. All these words were shared with me by Meduza, who performed a spell reading for me and created a lottery spell that turned me into a lottery champion of \$112 million here in Arizona. Within 48 hours of adhering to all of Meduza's divine instructions, he granted me the chance to use the divine lottery numbers to enter the lottery after I bought my ticket in Tempe. A week later, I was informed that I had become the fortunate Jackpot winner of the lottery game, and this was all made possible by Meduza. I want to kindly express my gratitude to him for his impactful words and actions. For a transformative opportunity in your life, contact Meduza via Website: www.lordmeduzatemple.com

“ I’m at a loss for how to express this. My sister welcomed twin daughters in July, and I found myself in a difficult financial and emotional state. I am known as Celta Vallecanao, and during my quest to find quick cash, I came across an advertisement claiming that Lord Meduza provides precise numbers to those genuinely selected for freedom from financial struggles through his genuine spell. I felt compelled to take a chance, and ever since reaching out to Lord Meduza, my life has significantly improved. As I write this, I am now a winner of €375 Million Euros after adhering to all the guidance and utilizing the MEGA MILLIONS numbers provided by Lord Meduza. I want to express my gratitude for the fact that assistance is indeed possible, regardless of how difficult your circumstances may seem. I highly recommend him in case you require any assistance.. “ My mother battled multiple sclerosis (ms) disease for about 7 years. Searching for a more natural approach to add to her current regimen, we have been using various alternative methods, and she still experienced difficulty walking despite what Western medicine practitioners predicted. Nothing seemed to work until I found this website [www. madibaherbalcenter. com](http://www.madibaherbalcenter.com) . They said that the doctor has power over difficulty walking disease, so I contacted them via email , and I received responses immediately. After receiving the herbal remedies, my mother used them as instructed. Within seven weeks, my mom went back to her doctor, who informed her that she was completely cured of MS. I never thought this herbal medicine would work, but based on the online testimonies about this doctor curing many diseases, I decided to contact him happily. “ I've struggled with Parkinson's for years, and medications only brought short-term relief. Out of hope and hesitation, I tried an herbal treatment from NaturePath Herbal Clinic. By the fourth month, my tremors eased, stiffness lessened, and balance improved. It wasn't overnight, but the progress was real and life-changing. I now sleep better, move more freely, and feel like myself again. If you're considering natural options, I highly recommend giving them a try. I'm truly grateful I did. www.naturepathherbalclinic.com

“ My husband was diagnosed of Parkinsons disease 2 years ago, when he was 49. He had a stooped posture, tremors, right arm does not move and also a pulsating feeling in his body. He was placed on Senemet for 8 months and then Sifrol was introduced and replaced the Senemet, during this time span he was also diagnosed with dementia. He started having hallucinations, lost touch with reality. Suspecting it was the medication I took him off the Siferol (with the doctor’s knowledge) and started him on PD-5 natural herbal formula we ordered from AKNNI HERBAL CENTRE, his symptoms totally declined over a 3 weeks use of the AKANNI HERBAL Parkinsons disease natural herbal formula. He is now almost 51 and doing very well, the disease is totally reversed! (Visit w w w.aknniherbscentre .com)
