“ Ron was truly one of a kind! I met him early in my real estate career and always looked forward to his presentations at the Eagan office. In the early years of my career, I called Ron's office frequently for his legal perspective and advice on one issue or another. He was accessible, straight-forward and kept me out of trouble! Please accept my deepest sympathy. I will miss him. Sheila Lange

“ I started working with Ron in 1990 or 1991. I learned so much from him. He was the BEST!! A seasoned real estate professional. He certainly made his mark on the real estate industry. The real estate industry and Coldwell Banker Burnet are better because of Ron. I loved Ron and he will be dearly missed by his many many friends and co-workers.

“ The world is a little less bright today after Ron's passing this morning. Ron came into my life 17 years ago when I was pregnant with a little someone who absolutely adores her Papa. I will forever remember and love his storytelling, his hysterical sense of humor, and how he always saw the best in others. Rest in peace Papa.

“ *Deb & Bob, Rick, Tess & Anna & Sandy,
My heart is heavy, but please know you are in my thoughts. I am in California and won't be with you as we all mourn Ron's passing but celebrate his life! He taught me everything I know about real estate, he claimed, and for that I am grateful. He was one of a kind, and I will carry many great memories of him in his "good years". Fondly,
Sandy Aaron*
