“ I was a junior officer at Ft. Snelling in the late 80s. I was fortunate to learn from him early in my long Army career. Many people were. My condolences on his passing.

“ I was saddened to hear of Ron's passing. We had a great long term work relationship and it is nice when a work connection can become someone you consider a friend. Thoughts and prayers go to Sandy and the family.

“ I served with Ron (Mac, as we called him) in the Army Reserve at Ft Snelling for about 10 years (1970's-80's). He taught me skills and habits that made me a better soldier and leader. He didn't say much. So, whenever he spoke, people tended to listen to his opinion. We had a softball team and he would come watch our games. When I think of the places we went as a unit, or small group, he was always there - Puerto Rico, Hawaii, Camp Ripley, Fort McCoy, Ft. Hood. He made an impact in my life and I'm sorry he is gone. You have my deepest sympathies.
