“ Norma, I once read that God gave us memories so we could have roses in December. May your memories of the wonderful life you had with Ron bring you some peace. Our memories of Ron are certainly wonderful and full of fun times on White Bear Lake. You and your family are in our thoughts and prayers. And fair winds and following seas for Ron.

“ *Norma, when I think of Ron I think of someone who carved a life for himself and his family. It doesn't surprise me that he became so fascinated with carving. It doesn't surprise me that he loved to sail, to man his boat. He had a life...a very good life.*

“ *Norma and family, I am filled with sadness for you. He was your handsome prince and a great father,grandfather and a great provider. His gentleness, quiet voice as family ment the world to him. We love and pray everyday gets better, but never forgotten.....
