“ *Jim, Pat and family. Thank you for allowing me to deliver the firebuff's eulogy at Ronnie's service last Saturday. My good friend of 33+ years is gone now. We had a lot of good times together going to musters, conventions and firebuff events throughout the midwest. I know that he is now peacefully at rest. God Bless!!*

“ Uncle Ronnie was like a second Dad to me and my brothers, except he could send us home when we started getting annoying. I remember laying in bed at night at his and Grandmas house listening to him on the police scanner. He hated taking me with him to run errands because I would always fall asleep in the card and provide him no company what so ever. He always would get the funniest birthday and Christmas catds. He was always and will continue to be our special Uncle and Godfather. Rest in peace Uncle Ronnie,we love you!!

“ *Jim, Pat and Family, I will always remember and appreciate the many hours Ron dedicated to documenting the Pearson genealogy. The old stories of grandma and grandpa beginning their new life here, the wonderful pictures from Sweden to share with us all. He was so thoughtful and interested in life. A good son, brother and uncle. Peaceful journey Ron.*
