“ *My Dad would light up a room with his great smile and the twinkle in his eyes. He touched the lives of so many people. He was a great father, grandfather, husband and friend. I cherished our lunch dates just having time to talk about life. I am thankful for the time we had together. May you rest in peace. I love you Dad!*

“ *My Dad was a man of Integrity. He had big bear Heart and wanted the best for people. When I was a child, he used to bundle me up and take me on errands and to visit Family. He was so proud. As an Adult, he always tried to keep me up when I was down by trying to say something nice or a little joke. He always told me not to wish my Life away. Me and my Dad shared a great compassion for Animals. We loved to talk about our Pets. He sure loved his Cats. Sunday's was our day to check in on each other, and I will great miss hearing his voice..... Michelle Phillips, his Daughter.*
