“ Dear Billie Jean and family: I was so sorry to read in the Star&Tribune obituaries of Ronnie's passing. He was 10 years older than me and gone away to school and military when I was growing up so we didn't get to be close, but Pud and Helen and the entire family spoke so highly of he and you and we were all So proud of Ronnie's life and career and family. You and Ronnie were so very very considerate and always present at the funerals of the aunts and uncles and family members who proceeded him, so I just had to send my condolences and my thanks for Ronnie's and your involvement in the life of our family. God bless and comfort you in your loss. Love, Bob Nielsen and family
