“ Condolences and continued prayers to Karen and family. I knew Ron through work as a passionate advocate for his company and his customer. He thrived on the challenge of building relationships and reveled in growing them. He welcomed me into his business like a long lost friend and I will remember him as the same. Bless you Rocket, your energy was contagious and an example to all.

“ *So sorry to here of Ron's passing. When we moved in to Fargo, I was a freshman in high school and Ron was our (almost) next door neighbor. We spent a lot of time hanging out back then. He liked to hang around my older brother, Mike. In fact, Mike saw his notice in the Fargo paper and sent it to me. I just wanted to send my condolences. God's blessings to all the family.*

“ Karen, Erik, and the rest of Ron's family,
I'm so sorry for your loss. I am happy Ron called me after getting our Christmas card and I was able to talk to Ron a couple weeks ago. We had many good times growing up and I will never forget our days in Bismarck/Mandan. It's hard losing someone we love, especially someone as energetic as Ron always was. We know he's in a place with no suffering and a new body and we'll join him one day if we believe in what Jesus did for us. God bless you & keep you, the Rasmussen family, and let's celebrate God's gift to us in the life of Ron Rasmussen.
