

## Ronald Lee Ringling

September 26, 2014

Ringling, Ronald Lee Born January 11, 1940, in Worthington, MN to Laurence and Theresa Ringling. He grew up on the family farm near Ocheydan, Iowa. At age 19, he moved to the Twin Cities where he began his career in sales and property management. During that time, Ron also served in the Naval Air Reserves. He was an entrepreneur and people-person who thrived on networking and helping others establish businesses. He was a long-time member of Rotary, Minneapolis Breakfast Club, and Gyro. Ron was blessed with a wonderful sense of curiosity, loved traveling, and could not wait to see what was around the next corner or over the next hill. He never passed a switch he didn't flip, a knob he didn't turn or a button he didn't push (including some of ours!). His bucket list was long and mostly completed in his 74 years. Ron loved his Lord, was involved in his church and was a strong supporter of Calvin Christian School. After battling ALS (Lou Gehrig's Disease) since May of 2013, the Lord took Ron home on September 26, 2014. He is survived by his wife, Mardi; children: Dawn & Jon Kluver, Denyse Ringling, Doug & Nancy Ringling; stepsons: Phil Meyer and Mike Meyer; grandchildren: Austin, Jace, Erin, Natalee, Meagan, Phil, Josh, Gabby and Jillie; ex-wife and mother of his children: Adela (Dennis) Daggett; and siblings: Marvin Ringling, Carol & Marlin Kahl, and Ken & Sylvia Ringling. Memorials preferred to Calvin Christian School, Edina MN. Memorial Service: Friday, October 3, 11:30 am at Mt. Olivet Lutheran Church West, 7150 Rolling Acres Road, Victoria, MN. Visitation Thursday, October 2, 5:00-7:00 pm at: [www.Washburn-McReavy.co](http://www.Washburn-McReavy.co)

“ My first symptoms of ALS occurred in 2014, but was diagnosed in 2016. I had severe symptoms ranging from shortness of breath, balance problems, couldn't walk without a walker or a power chair, i had difficulty swallowing and fatigue. I was given medications which helped but only for a short burst of time, then I decided to try alternative measures and began on ALS Formula treatment from Tree of Life Health clinic. It has made a tremendous difference for me (Visit [www. treeoflifeherbalclinic .com](http://www.treeoflifeherbalclinic.com) ). I had improved walking balance, increased appetite, muscle strength, improved eyesight and others. ]

“ So, my very first year of teaching at Harris, IA. Ron was a sophomore and active in music-- played trombone and sang in chorus. He is remembered by me for his "mischievous" smile and great sense of humor. May his family find comfort knowing Ron is resting safely in the arms of Jesus.
