

## Ronald George Troiden

November 19, 1952 - December 12, 2025

Ronald George Troiden, 73, of Bloomington, Minnesota, passed away on December 12, 2025.

Ron was a talented carpenter and true jack-of-all-trades, though he always preferred to describe himself simply as "an old farmer." For more than forty years, he was a steady presence on Utica Road-always ready to lend a hand, share a story, or talk the day away. He was well known for his expansive garden and, on occasion, a crop of corn growing proudly in his front yard.

He was preceded in death by his mother and stepfather, Magdalen and Arthur Dolalie; his beloved uncle, Wenceslas Lorence; and his infant son, Ronnie.

Ron is survived by his four daughters: Shelly (Bryan) Downs, Leah (Barry Ihrke) Kleine, Alicia Decker, and Alison (Tim) Clark; his grandchildren, Taylor, Brittany, Alex, Lexi, Brayden, Kayla, Ava, Harper, and Callie; one great-grandchild, William; and many extended family members.

A private family ceremony will be held at Dawn Valley. In lieu of flowers, donations can be made to Future Farmers of America or an organization of your choice.

“*Ron always had a neighborly hello and at least one story to tell. He infused his stories with humor, and always seemed to make me laugh. I appreciated his teasing nature and one of a kind personality that energized the neighborhood. My heart goes out to you at this time of tremendous loss. You are in my thoughts and prayers.*

*With deepest sympathy,*
