“ To- Wife and family of Ron Wandmacher-

*I am very sorry to hear of Ron's passing. I have very fond memories of phone conversations, i.e. religious conversations - with him when he was a late night radio talk host. I was in my late "teens" in the late 60's and I would call at night and also would draw pictures and send them to him. At that time your children had to been very young.*

*I met Ron and brought him a picture at the old Calvary Temple Souls Harbor church in downtown Minneapolis in 1969. I was introduced to a young man, by a friend of mine, who attend there, on the night that I brought the picture down to your husband- never realizing that a year later, I would start dating this young man that was introduced to, and married. him. We will be celebrating our 45th wedding anniversary this June. I always felt that I was supposed to bring that picture down that night, if I hadn't done so, I may have not been introduced to my future husband. I will have fond memories of your husband. Our condolences to you and your family.*

*Stuart and Lora (Enger) Mani- North St. Paul, Mn.*
