“ As a Lakeville Police Officer I got to know Rory and many Burnsville cops. I have always had great respect for Rory. Over the years we would see each other at the Burnsville Racquet club where workout together along with seeing each other on calls in the Burnsville/ Lakeville border. I was truly fortunate to have known Rory. I will always remember him. CJ Gartzke Badge #4827

“ Boch was my sergeant, friend, and mentor when I was working for him on dogwatch. As a young cop I looked up to and admired Boch. Day in and day out he was a shining example of integrity and humbleness. Boch was patient with everyone and demonstrated what a true professional is and should be. Boch's face always lit up when he talked about his kids and family and he was a true family man. Boch made the world a better place and will be deeply missed.

“ So sorry for your loss of Rory. He was a very hard working man he loved his hunting and fishing. He loved his music and he loved to run. When I started working at new dawns county living Rory would run with the dog and be gone for awhile his live for nature could get me going. This man was courageous and he fought to the end. He was loved by his family and friends. I watched how Rory loved life until he couldn't do it anymore. Rest in peace. Love and prayers to the family and friends.

I was so honored to be my brother-in-law Rory's caregiver at my AFC Home for the last 5 years. He was where he wanted to be with family. In the country where he went fishing and hunting with us as long as he was able. ALztimers may of took away his ability to do many things but he enjoyed life up to the end of this lifetime. ❤️ you Rory and I know you are at Peace and fishing and hunting in heaven.
