“ *Family of Rosalla Pavelka: My deepest condolences! My connection to this family is through Diane Pavelka Palen whom I remember very vividly from our friendship at Augsburg College (now university). We worked closely in the college library and I had a great deal of respect for--her integrity, her grace, and her dedication to service excellence. Her husband Bob was also a wonderful friend. I treasure memories of them and pray for their strength at this sad time. My best, Boyd Koehler, professor emeritus, Augsburg University*
