“ As I am updating the WWII Marine Reunion (daughters/sons of) pages I started to think of Rose and Ken (Burgie) whom my dad (Leo) loved. I had the great pleasure of meeting up with them both at a few of the reunions and enjoyed their company very much. I was very saddened to hear of the passing of Ken. I had no idea Rose was also gone. Such a sweet lady. Two beautiful people I think of often. Roberta Mogavero-Fitzgerald

“ Rose lived a few doors down from my mom at Vernon Terrace. Immediately, we had something in common. Our time didn't overlap, but we both worked at Olson Bros. I ran into Rose often. She's such a sweet person. We talked a lot about her life, she'd ask about my mom (when she wasn't with me). In a short time, she became my friend. I just really enjoyed her. God bless.
