I am Karen, Rose's oldest daughter. I have driven by the house on a few occasions. I told my Mom she would be very pleased to see how nice the house and yard look when I drive by. We all think a rose bush would be very fitting and nice of you to do. Thank you!

“ *It's so easy to remember Rose standing in her kitchen with a bottle of (I think it was Pepsi) near by, hearing her wonderful laugh and her sweet smile. She raised a terrific bunch of kids and she left wonderful memories.*
