“ *Rosie Mama and I love so much. You were our neighbor for the first few years we were back home. You became more than a friend you became a member of our family. We celebrated many holidays together. When our son Tony and his family moved here and lived with us for awhile you got to know our grandchildren. A J our oldest would go next door to Wosies house when he got in trouble at home, and you always gave him cookies. I know your in heaven with Mama and we will all be together some day. Until that day know that you will be sorely missed and loved. Love you and you will always be my favorite Pollack Larry Mitchell*

“ So very sad to hear of Rose passing. I have known her since 1988. We were neighbors in Robbinsdale when we moved back to Minnesota. She was and is a saint. While my mom was battling her cancer she was always there to bring encouragement to our family, she was not blood but she was family. We love you and you will always be in our hearts.
