“ *Rosie Hofstad was like a sister to me. We were friends for over 60 years. She was a loving, generous, kind and faith filled person. Our whole family was blessed for having known her. We will miss her, but know that God was merciful to her by taking her quickly after her massive stroke. With fond memories, Marlene Quirk & family.*

I was Rosie's mailman and she was always so kind to me. One of the nicest people I have ever met on this earth. I will miss her.
