Miss Rosie terribly! Her sense of humor, her tenacity and her willingness to give advice! Loved to tease back and forth with her!

Some of my best memories where visiting the Smith's when I was a young kid and having Rosie offer me a Pepsi :-). She always had a Pepsi available which made me smile. Great memories of how nice she was.

Rosie was a joy to know. I actually missed her calls after she quit calling me by mistake. She was a caring, lovely lady you were lucky enough to call mom.

“ *I will miss my longtime friend so much. She was my mentor and companion doing so many things at Bethel Lutheran Church, especially cooking for church events. No one was better than Rosie with helping to do a good job and no one was more fun to work with! We shared and laughed during our times together. She was one-of-a-kind! And, her family was her daily joy. How much she loved each and every one of them!*
