“ *Rosemary had a heart of gold and a gift of going above and beyond what anyone would expect. She knew who we were but really much more than that. Our daughter had a cabbage patch baby doll and wanted clothes for it. Rosemary called and asked if she could make a couple of outfits. Needless to say a couple meant a suitcase full and our daughter had an outfit for literally every occasion. We will never forget her kindness or generosity. She was a kind and caring woman.*
