I met Roy in 1974 and had the pleasure of playing softball with him for 3-4 years, He was an outstanding hitter & outfielder in addition to being a great person.

In later years, we always reminisced about those softball & touch football leagues we played in at Hopkins Central Park.

Roy was a second big brother. I admired him for his strength, athleticism, and happy-go-lucky nature. I was fortunate to have been his neighbor growing up in the Park. My heartfelt prayers go out to his family. Rest in peace.

I met Roy at CSB/SJU. Senior year he and a friend of his and I and a friend of mine had a dinner club. We met once a month and the two teams-- the "boys" Roy and Kent and the girls Deb and I took turns making gourmet dinners. It was a great idea and a great time. Roy and I kept in touch for a few years, meeting for lunch every once in a while. It's been a long long time since I've seen him. I will miss him- even though we hadn't seen each other in a number of years when he died. To Roy's family, even though it's taken me a while to write this, I wish you all peace and good memories.
