“ *My sincere sympathy Joan and family, Ruby was such a loving and kind person. Years ago, Ruby and I decided we would go to visit Mary Swanson in Oregon and Lyle and Helen Ellefson. However, our families weren't really in favor of two widows getting on a train and going. We had a wonderful trip, however; even though our top bunk was never used because neither of us could get to it. What fun we had. Ruby brought immense joy to our family and it was a blessing to know her. We will miss her dearly.*

*Love,
Elaine and family*
