“ Ruby really touched my heart! She was full of poise, grace, wisdom and was a fantastic dresser! We named our daughter Ruby after her, because our hopes is that she will share the same amazing characteristics that Ruby had.

“ Dear Uncle Bud and Family, Ruby was so kind and loving to everyone... With a heart the size of Texas. There just aren't proper words to express all that she was to me growing up and to our family through the years. May she be at peace now. God Bless you are all in our thoughts and prayers.
