“ I have been serving Russ and Donna for about 16 years! I have served them (and their family) at Applebee's, Granite City, and Outback Steakhouse over the years and basically adopted them as my Grandparents after all of mine had passed on. Russ had some of the greatest jokes, he radiated positivity, and he absolutely LOVED his wife! The picture I've attached is of the last time I saw them at Outback in Inver Grove Heights. My friend Kat (in the pic next to Russ) has also adopted Russ and Donna. I believe many of our coworkers can say the same. Russ will be missed by so many of his favorite servers/bartenders/managers in the industry! We love you Russ! Save me a seat at the big table upstairs! I'll see you when I get there luv!
