“ Hi Dawn & family, Sorry that I can't be with you this weekend. I had brain surgery for spiral fluid leaking @ the Mayo Clinic 3 weeks ago. I'm still not driving and slowly recouping. Before my trip to Rochester, I talked to your dad and he had told me that he had been to the doctor and the doctor told him "see you next year". Thought he was doing pretty good so his death caught me by surprise. My thought are with you and your family. Take care.
