“ *As the shadows deepened, when Rusty descended into the valley and his life closed down, I am certain the brightness of God’s mercy beamed upon him and that God welcomed him into his fold. We know Rusty’s journey was hard on you, Marlene, but life passes on and precious memories help brighten days ahead. Rusty will be greatly missed by his fellow Conquistadors, but we shall treasure many wonderful memories we had with him. Our prayers are soaring your way.*
