“ We were so sorry to hear about Russell. I know that there are very few words that can ease the pain. But it is my prayer that in your time of mourning, you can find comfort in God's promise to one day put an end to death, and all the pain it causes.(Revelation 21:3,4) In the meantime you are in my thoughts and prayers.

“ I have a lot of good memories from Resurrection Lutheran Church and from Perkins in Blaine! He was always very kind, supportive, generous, selfless, non-judgemental and had many other nice qualities. I remember him drawing on napkins at church and Perkins. He always asked us to stop by on halloween so he could see the kid's costumes and give out oodles of candy! He bought wreaths many times from my sons when they were in scouts. He was always such a pleasure to talk to wherever I ran into him, whether it be church, Perkins or out in the community! I even have a picture of him with me at Perkins when I worked there and was dressed up for Halloween. He cherished and loved his family and is now with his beloved wife who he has missed deeply since her passing! I will very much miss him. I have thought of him often throughout the years since we have lost touch and have thought of him even more often in the last month. He carried his bible wherever he went. He will be missed!
