“ I am saddened to learn of Ruth's passing and to learn of the suffering she endured the last few years of her life.

Ruth was a very sweet person and her family meant everything to her. She had so many varied interests.

She was a friend to a group of girls and she invited us to an annual stay at her cabin at Ann Lake for a period of years. What fun we had!

My sympathies to Victor and Tony. Cherish your wonderful memories of her and know she'll always be with you!
