“ *Ruth, you will be sorely missed! I could not have had a better Mother-in-law!! I absolutely enjoyed our talks about important subjects discussed in the newspaper. You were my cheerleader! Jaime and Kristin miss their Grandma. Kristin said her Grammy taught everyone how to deal with there physical and medical struggles through grace. What a class act. Jaime enjoyed talking with her Grammy late on Sunday and weekday nights keeping her updated on school and her social life. She bridged the gap between their dad and their active lives. She is dearly missed. We love you Ruth!*

“ Dear Ruth, I was so fond of her and have so many memories of the fun times I visited in Minnesota when I was a child and we travelled from Oklahoma to visit, Aunt Judith, Helen and Russ and Ruth and Ray. I am Celia Irwin Evans, Grant Irwin's daughter. He was the brother of Aunt Judith and he and my mother, Billie Irwin and I came to visit when you all were very young. I also loved it when Ruth and Helen would take the train and visit us in Shawnee. I was an only child, so I dearly loved the excitement of a big family when we would visit and I would play with you. Please know that I send my condolences and my sympathy in your loss. Your mother had such a wonderful, happy personality and she had just sent me her new address. We are glad to have known her and will miss her. With Love, Celia and Charles Evans
