“ Carol and I loved Aunt Toots. When her brother Bob was in the hospital in intensive care with kidney failure he wasn't expected to live and Aunt Toots couldn't bare to see him like that before he died. I called and asked her to come and when she did and spent some time with him before he died it was miraculous, he was up and walking the next day and lived for another 2 years. We will always remember how sweet and kind Aunt Toots was and will miss her!
