“ *When you were near Ruth you could feel her kindness. She made you smile and put you at ease. She listened when you talked and she made you feel like what you had to say mattered. She brought all those gifts into her counseling career. She was gentle and realistic. I enjoy all my memories of times with Ruth. I will miss her.*

“ *Ruth will be missed. I worked directly across the hall from Ruth for over 4 years. She always made me smile with some sort of joke. Im glad to have known her for the short time that I did. Rest peacefully, Ruth....I will miss seeing you in the hallways and cracking jokes with you. God bless you and your family*

“ Ruthie, Thank you for mentoring me through my Internship in the men's program at River Ridge when you were the Program Director. I so enjoyed our dinners and connection long after that time. I always thrilled when it was your voice calling from the Hennepin County Review Team with approval for treatment for a client I was working with and I loved catching up with you! I will miss your infectious, loving laugh~ I will miss you! Love, Cynthia
