GB

Ruth was a wonderful caring person that would do anything for anyone. She was very proud and devoted mother and grandmother. She was so fun to work with. She had a great love for sports. She was one of the best nursing assistants and residents would beg to have her as their assistant. As a nurse I could always count on Ruth. As I told Ruth never say I am just a nursing assistant you are a major part of the team and with out your eyes and ears out there we nurses would not know what is really going on. I had the great pleasure of working with Ruth for 12 years. She was also a great friend. I love you Ruth now it is time for you to rest in peace. Gail
