“ I will miss my dear friend, Ruth, so very much. While the last few years have been difficult, it makes me happy to know that she lived a very comfortable and independent life which was so important to her.

*While she had no close relatives, I know that her vast group of friends meant the world. My condolences to all of you, especially to the MANY of you that that have been close to Ruth for more than 50 years. She treasured all of you, your shared experiences and your numerous social activities. And, thank you to the residents of the Villa at Basset Creek who embraced her as part of their community.
