“ *Garry and Marcia,
We are so sorry to hear about aunt Ruthann. She was a great aunt.
She was a lot of fun to be around at family gatherings. Barb. and
Ruthann had nice conversations about school and teaching. It was
nice to have that in common.*

*We're sorry she suffered so much and that it was so hard for you.
Even though we haven't seen you all for quite a while, we still feel
your loss. Our thoughts are with you. Love, Dale and Barb.*
