“ *I am so sad about Ruthanne's sudden death. She was a wonderful friend, understanding and upbeat. She loved people well, and made the best of whatever happened to her. She sure loved her boys and grandkids and talked about them with fondness. I am glad she died so peacefully, but I wish it hadn't been so soon. I will miss her greatly. Margie Vest*

My sympathy to you Sam and Teddy. Your mom was a support for me in so many ways as a fellow Basic Skills Teacher in the Riichfield Schools. We supported each other in good times and tough times. I always knew that she was with me in so many ways. Her hugs were the best! She was truly a gem for a friend. May your memories help you in the days ahead.
