“ I'M FREE

*Don't grieve for me, for now I'm free
I'm following the path God laid for me.
I took His hand when I heard him call;
I turned my back and left it all.
I could not stay another day,
To laugh, to love, to work or play.
Tasks left undone must stay that way;
I found that place at the close of day.
If my parting has left a void,
Then fill it with remembered joy.
A friendship shared a laugh, a kiss;
Ah yes, these things, I too will miss.
Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I savored much;
Good friends, good times, a loved ones touch.
Perhaps my time seems all to brief;
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free.*

Just last year I spent a weekend with Ruthie getting blankets ready for Isha's wedding... It was such a great weekend chatting and sewing those blankets. I will miss those conversations and the joy in her voice when she talked about her children.

Ruthie will always be with me just as my mother and sister are in heaven, Ruthie will be dancing at the gates of Heaven. Soon and very soon we will all be reunited with all of our loved ones. That is our faith and this is the truth! Her love will endure for eternity ! Let us all choose to live, love and bless all of those who we encounter in our daily lives! In her most precious memory...Ruthie I will send my prayers and love to you each and every day with the continuous touches of the Holy Spirit I encounter..Love you always NICK

I wish I could call you!!! Everytime Quentin does well on his spelling test or has a game. I wish you were here to watch his games. His doing exceptionally well you would be so proud of him.Rumone is doing fantastic job as a father you would be proud of him as well. I thank you everyday because without you he may not have been the strong handsome man he has grown to be. I will continue as I promised you the last time I saw you to take care of your boys.one year it will be on Monday since you have been gone and this week will be hard for everyone I will hold Quentin and your Rudy real close and try to ease the pain as well as the pain I feel for never getting the chance to spend many more wonderful moments with you as my mother in law.I love you dearly!!! *Mom, it's been over 8 years now since
God and His angels called you away.
Oh, how the angels rejoiced as you walked
Through those pearly gates that day!*

*Mom, when they said you were going to die
I refused to believe it, could this be true.
How could I allow myself to even
Imagine saying goodbye to you?*

*Mom, you were an angel here on earth,
I learned so very much from you.
You were so gentle and so kind; your
Smile lit up the room and it would always see me through.*

*You taught me how to love and care.
You wanted to see me do my very best in all I do.
You gave your all to God and your family,
Never once stopping to think about you.*

*You were more than a mother. You were my
Best friend and a great listener, too.
Oh, how I miss our special talks and
All the fun things we used to do. Love you mom, Always!❤️*

*Mom, I can never say goodbye to you,
Because I could never bear the pain.
Instead, I say I love you, Mom;
Until we meet again.*
