“ One of my favorite memories was spending time with my godmother in Minneapolis the summer of my Junior year of high school. We shopped, ate well, and had tons of fun. I loved how Sadie took me to her family reunions and made me feel like I was one of her own daughters. I'm going to miss our telephone conversations and laughs, but I will hold onto my memories of her and just smile from her infinite wisdom.

Rest in Peace Godmother
