“ I am so thankful for my grandma. She was a shining example of unconditional love. She loved her family first, no matter what or how we acted...she always supported us in every avenue we tried. She was someone I could always call up when I need someone to listen, she always encouraged me to do my best. She would send a card for every occasion and loved my kids always. She paid for me to have piano lessons and came to every recital. She was every person's dream grandma and I am so thankful she was mine! I love you Grandma and already miss you so much but am so thankful you trusted Jesus as your Savior so we can spend eternity together!

“ *Let's try this again - I'm not sure my entry made it through... Was so sorry to hear this news! I think Aunt Sally had a special affection for our own baby Oliver. My memories of her are of someone who was always warm, engaging, generous, intelligent, and active. We got a handwritten christmas card from her every year. i also loved all the pics of her Seattle adventure with Gramma Helen and Great Auntie Ethel. I'm glad I'll be able to make it to the services this morning. I will miss her and I know you all will too. Much love, Amanda, Steve & Oliver Wrangham (Nan Frobom's daughter - Helen Frobom's grand)*

“ I am so sorry to hear about the loss of your mom Sally. She guided and supported me through Jobs Daughters, and I couldn't have done my term as Honored Queen without her. I am so thankful that Sally had a role in making me the person I have become, as I have been blessed to have known her. I realize what her loss must mean to her family, and you are in my thoughts.

“ Nancy and Jody, I am so sorry to hear of your Mom's death. She was a great lady who made a huge impact on my life. Both as a child and as an adult. Just the other day I was looking at a plate she painted just for me with Pansies because she knew I loved them.

“ *What a "bud" Sally was to me when I was growing up. From washing clothes in Big Mom's basement to giving me art lessons later on. What a talent and what a beautiful soul this precious cousin had. Via con Dios, Salita. Mary Ann*
